WELCOME TO HARESHILL

New homes surrounded by nature

A LOCAL WAY OF LIFE

An established community with great amenities

FURTHER AFIELD

Explore the wider area

HARESHILL

Surrounded by rural countryside Harehill is an attractive new collection of one to five bedroom homes in the picturesque village of Crookham near Fleet in Hampshire.

Edged with native trees and encompassing an ancient copse, the homes are located amongst green pathways, nature and play areas. A new community centre and landscaped central green are perfect for new and old friends to enjoy.

Within walking distance of village pubs, good schools and the Hart Leisure Centre with its multi-sport facilities, Harehill offers a tranquil and outdoor lifestyle. For the daily commute Winchfield and Fleet stations are equidistant and both offer regular trains into Waterloo.

As part of an established English village, with an abundance of nature all round, this stylish setting is the perfect place to find your new home.

A greener place to call home

Aerial photography of local area, indicative only.

CAREFULLY CURATED IN EVERY WAY

From initial concept through to the fine detail of every home, Hareshill has been developed with the long-term sustainable future in mind.

Berkeley adopts a ‘fabric first’ approach, designing new build homes with energy efficiency and sustainability in mind at every stage of the design process. From heating and lighting to appliances and insulation – reducing long-term energy demand is at the forefront of our values.

The thatched home at the main entrance to Hareshill has been built by skilled artisan craftsmen using traditional materials.

Traditional thatching brings character to Hareshill whilst respecting the rural landscape, age-old crafts and sustainable building methods.

Creating play spaces with sustainable materials.

Encouraging biodiversity through planting was fundamental in our design planning.

A GREENER PLACE TO CALL HOME

Homes at Harehill are the ideal Berkeley combination of style and quality. Whether you need extra space for a growing family or a smaller home to settle into, you will find what you are looking for among this delightful series of individual designs. All homes offer private parking, while every home has easy access to the landscaped green and open spaces that set Harehill apart.

STYLISH LIVING SPACES

Working from home has never been easier, as all new Harehill homes are served by fast broadband capability and strategically positioned power points.

Whether it is the sunshine flooding in during the daytime or getting cosy on the sofa at night, these are ideal rooms for family life. Double doors lead straight onto a sizeable patio and garden, allowing easy access to your own private outdoor space.

Careful consideration has been given to flexible living, allowing those who need to work from home the opportunity to set up office in the comfort of their own stylish living room or bedroom.

CONTEMPORARY KITCHENS

The kitchen is the heart of the home so we've designed it to feel like a space you'll relish spending time in.

With four different collections to choose from, your new kitchen has been cleverly considered for modern living. Some of the fixtures include a Belfast sink and wine cooler as well as a twin oven – giving you a little extra help when you are entertaining.

BLISSFUL BATHROOMS

Following a minimalist aesthetic, these chic bathrooms are rich with natural textures, complemented by sleek finishes.

With a range of tiling colour options, your bathroom is an elegant space designed for comfort and relaxation. The open basin and cabinet shelving offers an organic contrast to the smooth chrome fittings.

Large mirrored cabinet doors provide more visibility and clever storage features. The LED-lit recessed alcove in the shower adds a little extra luxury.

TRANQUIL BEDROOMS

Elegant, light and spacious bedrooms are havens of calm and relaxation.

The bedrooms at Harehill are beautifully appointed throughout. Many of the principal bedrooms have an ensuite bathroom and either stylish fully-fitted wardrobes or a separate dressing room.

ENJOY LIFE OUTDOORS

Gardens, green spaces & countryside are part of daily life. Getting out into fresh air and nature makes us feel better – that's a fact and also a fundamental element of Harehill.

The homes have been designed to maximise provision of gardens on south facing façades wherever possible. Patio doors let the light flood in and bring the outside in. Harehill offers a series of carefully considered open spaces for leisure, play and sports.

CONNECTING PEOPLE TO NATURE AND PLACES

Hareshill will offer valuable green space serving beautiful new homes and the wider existing community.

Looking to add to and enhance the existing wider ecological network, Berkeley aims to conserve and restore the existing nature on site, achieving a net biodiversity gain. With an already established green infrastructure of ancient woodland, tree belts and hedgerows, beautifully landscaped open spaces and linkages will integrate successfully with the existing network of footpaths and spaces. The landscape will provide visual enjoyment and experiences derived from the nature and beauty of green open spaces, enhancing health, social life and wellbeing. This is at the heart of our vision for Hareshill.

A greener place to call home

The creation of a network of informal paths weaving through the development will enhance accessibility for pedestrians and cyclists to the wider footpath and highway network.

Take a peaceful narrow boat ride along the Basingstoke Canal.

Enjoy the great outdoors.

Adventurous activities at the Edenbrook Country Park.

MORE TIME TO ENJOY NATURE

From well-trodden paths to quiet rural corners, Harehill is the perfect starting point for exploring the countryside around Fleet.

Harehill can be found in the quintessentially English Crookham Village, which lies south west of London alongside the tranquil waterways of the River Hart and Basingstoke Canal.

Bounded by the extensive Peatmore Copse to the south, the community is only a stone's throw from the town of Fleet yet retains its own distinctive rural identity.

The serene natural setting of Fleet Pond.

Ramble along country paths through local woods.

Enjoy a peaceful pint or good food at The Exchequer or The Queens Head.

Fields of wild flowers surround Harehill.

Order in or eat out at The Spice Merchant.

CROOKHAM VILLAGE – AN ENGLISH RURAL IDYLL

Set in the Hart district of Hampshire, Crookham Village is the perfect example of an English rural idyll with a village pub, allotments and countryside.

Grow your own fruit and vegetables at Crookham allotments.

Find yourself perfectly placed to visit Winchfield, Fleet or Farnham.

Head off into the woods and discover your own favourite trails.

A THRIVING COMMUNITY

From Harehill to Crookham to Fleet, you will be part of a vibrant community that comes together through year-round activities.

Take a short walk from Harehill into Crookham Village on a Sunday and you will find locals young and old cheering on the local cricket team. The spring and summer months are also the perfect time for families to enjoy days out at Edenbrook Country Park.

In Fleet itself, you can take part in arts and crafts workshops, and each Saturday its street market sells artisan goods.

Activities carry on all year round, including the Fleet Carnival and Fleet Food Festival in the summer and the Christmas Festival in the winter.

FRIENDLY FLEET

Enjoy regular street markets, plenty of places to eat, drink and shop and some great amenities for family life.

Fleet's close proximity to London as well as its rail and road links make it attractive to commuters and employers alike. With indoor and outdoor sports facilities, good schools and a community spirit, it is a real focal point for the whole area.

CAFÉS & RESTAURANTS

Less than a mile from Hareshill, the centre of town is where you will find traditional tea rooms, bustling cafés and High Street restaurants as well as local pubs and eateries.

HART LEISURE CENTRE

Virtually next door, the centre boasts a 25m swimming pool for aqua fitness or for letting the kids splash around, a modern gym, dance studios, badminton courts and a crèche.

SHOPPING

The Hart Shopping Centre has many well known brands including Waitrose, WHSmith and Boots. The nearby High Street is also home to the library, banks and other independent retailers.

Rich in amenities

RELAXING COUNTRY WALKS

Get your boots on for a long walk or take a short stroll along the easy trails.

PUMP TRACK AND SKATE PARK

Grab your helmet and head to the active area to try out new tricks.

BIODIVERSE SETTING

Enjoy nature in all its glory via open meadows, bird hides and wetland trails.

STUNNING LAKES

Take the cycle path around the lakes or walk along softly surfaced pathways.

Nature and the great outdoors

EDENBROOK COUNTRY PARK – ON YOUR DOORSTEP

Explore 82 acres of lovingly restored parkland with community amenities available all year round.

Delivered by Berkeley, Edenbrook Country Park is a vast expanse of green space with winding pathways, wetland trails and bike tracks. Its open meadows and lakes are a haven for local wildlife, while the picnic areas, pump track and ponds are perfect spots to head to with the family. There is even a café right by the entrance at Hart Leisure Centre. Since it is only a short walk from Harehill, you will find yourself returning to Edenbrook Country Park time and again as you explore new discoveries.

EDUCATION FOR ALL AGES

From some of the most highly-rated state schools to independent educational institutions, there is plenty of choice close by.

From your home at Hareshill, you can walk to the nearby Tavistock Infant School, All Saints Junior School and Calthorpe Park Secondary School. The adjacent town of Fleet has a large number of state schools and Hampshire is well-known for its range of private schools.

A little further away lies the town Farnham, which is home to the University of the Creative Arts (UCA). Ranked the no.1 creative specialist university in the UK, UCA covers diverse subjects, from animation and architecture to jewellery design and journalism.

A LITTLE FURTHER AFIELD

From Hareshill, you are within easy reach of some of southern England's most interesting towns and cities.

FARNHAM

Just over the border in Surrey, Farnham is a charming market town well-known for its 900-year-old medieval castle, ruined abbey and visitor attractions. As well as pretty streets lined with quaint shops and cafés, there are plenty of arts, craft, music and theatre experiences on offer at Farnham Maltings.

Farnham Park Nature Reserve.

Farnham's attractive streets offer plenty of places to relax.

A lovely town

GUILDFORD

Guildford is a culturally rich historic town with theatres, art galleries and music venues. The Yvonne Arnaud Theatre is particularly known for hosting pre-West End shows. The picturesque high street has many boutique stores for the discerning shopper.

Guildford's historic cobble high street.

Rich in history & culture

WINCHESTER

A small but stunning city, Winchester boasts one of the finest examples of medieval cathedrals in Europe. Full of bistros like Raymond Blanc's brasserie, Rick Stein's, The Ivy and Hotel du Vin, it is also rich in shopping, arts and entertainment such as the Winchester Jazz Festival and the free, outdoor Hat Fair – the city's longest running carnival of street theatre, music and comedy. It is also home to the world famous Winchester College, the oldest independent boarding school for boys in the UK.

Enjoy the magnificent architecture of Winchester Cathedral.

THE BERKELEY QUALITY

PEOPLE, PLANET, PROSPERITY

*Berkeley is committed to best practice in every way.
From sustainability and customer care,
to charity work and employee development,
we are continually striving for the best.*

TRANSFORMING TOMORROW

At Berkeley Group our passion and purpose is to build quality homes, strengthen communities and improve people's lives. We are innovating, pushing boundaries and taking action to ensure we have a long-term, positive impact that is good for our customers, the communities we touch, our business and the world around us.

We transform underused sites into exceptional places and we're also transforming the way we work; embracing technology and raising standards, as we continue to deliver an outstanding customer experience and create high-quality homes that delight our customers.

Our Vision 2030 is our ten year plan which sets out how we will achieve this.

TRANSFORMING PLACES

Working with local people and partners we create welcoming and connected neighbourhoods where you can be proud to live.

TRANSFORMING LIFESTYLES

Taking action on climate change and giving you ways to live more sustainably. We're building efficient homes that use less energy over their lifetime, with sustainable travel choices on the doorstep.

TRANSFORMING NATURE

Creating beautiful places with habitats that help nature to thrive, meaning that every site is left with more nature than when we began.

TRANSFORMING FUTURES

Helping people to reach their potential through apprenticeships and training, and programmes supported by the Berkeley Foundation.

Please scan this QR code for more information on how we are **TRANSFORMING TOMORROW**

A COMPANY THAT CARES ABOUT SUSTAINABILITY

NATURE AND BIODIVERSITY

Within and around Hareshill, we are creating 13.3 hectares of Suitable Alternative Natural Green Space (SANG) incorporating open spaces, footpaths, trim trails, wild flower meadows and additional tree planting. These fundamentals of a thriving natural environment can be enjoyed by everyone and link directly to Edenbrook Country Park which we have enhanced close by. We are working with award-winning landscape architects Fabrik to engage residents in the natural landscapes that we have created.

WASTE AND RECYCLING

We actively encourage all residents to reduce their waste wherever possible. In addition to external recycling bins, we provide integrated recycling bins in kitchens to make it easier to separate and recycle waste.

WATER EFFICIENCY

Our homes are designed to high water efficiency standards and are fitted with dual flush WCs, and low-flow taps and shower heads which use less water without compromising convenience and comfort. To conserve water for use in the garden, a 200 litre water butt is fitted externally and we also suggest simple steps to reduce water consumption, such as not leaving taps running unnecessarily.

ENERGY EFFICIENCY

Efficient use of electricity and gas helps lower fuel bills and reduces carbon emissions. Our homes have been designed to use less energy than a standard home. They have enhanced levels of thermal insulation and air-tightness. All lighting is low energy and kitchen appliances are A rated. Smart meters for gas and electric consumption are also fitted as standard to every property.

NOISE REDUCTION

We can't eliminate noise, but we consider the impact of noise in the design of our homes. We consider external noise, such as from nearby roads, and internal noise including the transfer between rooms and floors. We incorporate measures to reduce the different types of noise wherever possible to create a quieter environment.

CLEAN AIR

It is hard to avoid polluted air, particularly in our cities. Throughout Hareshill we are planting trees, shrubs and flower beds to help create a cleaner air environment.

SUSTAINABLE TRANSPORT

We provide secure communal cycle storage areas for apartments and each house has either a secure garden shed or dedicated space within the garage for cycle storage. There are 9 dedicated Electrical Vehicle Charging Points throughout the site to encourage the use of sustainable vehicles.

STEWARDSHIP

Maintaining our communal open spaces and facilities in perpetuity is an important benefit to the whole community. We work with a management company and residents to ensure the development remains in pristine condition.

FUTURE-PROOF DESIGN

From the early stages of design, we assess how our homes will stand up to the future effects of climate change, such as how they will be affected by higher summer temperatures, periods of drought, or more extreme rainfall. We are constantly researching how we can ensure our homes and developments are more resilient to these extremes to understand what new innovative technologies we should use in our future designs.

HOMES DESIGNED FOR LIFE

At Berkeley, we are committed to creating great places where people love to live, work and relax. Where the homes are light-filled, adaptable and finished to very high standards. Where carefully planned public areas enhance wellbeing and quality of life for residents and visitors. Where people feel a sense of community.

CUSTOMERS DRIVE ALL OUR DECISIONS

We achieve that by putting our customers at the heart of everything we do. First, we strive to understand what our customers want and need – well-built homes, in a pleasant and safe neighbourhood, with plenty of amenities and good transport connections. Then we apply that understanding to all our planning and design decisions.

And for every new development, we challenge ourselves to go further, to improve and innovate, ensuring we satisfy the real needs of our customers in inspiring and sustainable ways.

CHOICE AND DIVERSITY

No two Berkeley customers are the same, so we aim to offer a wide choice of property location, size and type. From central London to major towns and cities; from market towns to rural villages, countryside to the coast – we build in locations our customers love. And whatever home you are looking for, whether that’s a city penthouse, a modern studio apartment or traditional family home, you will find the perfect fit for your lifestyle.

QUALITY FIRST TO LAST

Quality is the defining characteristic of Harehill, right down to the very last detail. We choose our locations, style of homes, construction practices, materials and specifications with great care. When you buy a new home from Berkeley you can be safe in the knowledge that it is built to high standards of design and quality, has low environmental impact and that you will receive a professional, efficient and helpful service from us. For extra peace of mind, all new properties come with a 10-year build warranty as well as a 2-year Berkeley warranty.

GREEN LIVING

For Berkeley, sustainability isn’t simply the latest buzzword. We are committed to creating a better environment within our developments and in the areas that surround them. That’s why we build on brownfield sites whenever we can, bringing new life to disused and unloved spaces. We take care to protect the natural environment and enhance biodiversity. All our homes are designed to reduce water and energy consumption, and to enable residents to recycle waste.

COMMITMENT TO THE FUTURE

When we plan a development, we take a long-term view of how the community we create can thrive in years to come. Our aim is to permanently enhance the neighbourhoods in which they are located, through intelligent design, quality landscaping, sympathetic architecture or restoration, and high standards of sustainability. We don’t just build for today; we build for the future too.

Protection for new-build home buyers

WE OPERATE AN ONLINE SERVICE – MYHOME PLUS

MyHome Plus is a new online service designed to help you manage buying your new home at any time in any place.

THE BUYING PROCESS

This step-by-step guide to the buying process from reservation through to completion, moving in and warranty. At each milestone, the buying process section advises on the next steps so that you can be absolutely clear on your current position and what to expect next.

1. FILING CABINET

In the filing cabinet section you can access documentation relating to your new home immediately at your own convenience.

2. MEET THE TEAM

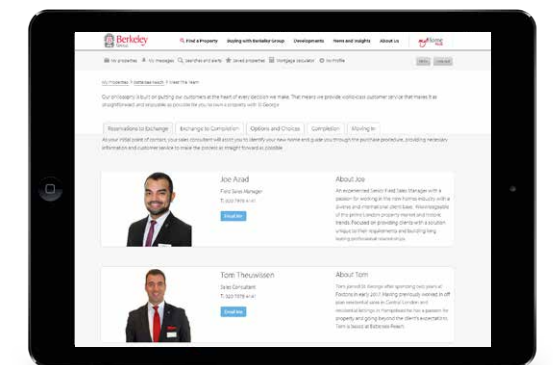

This section provides an introduction to the team that will be working with you throughout your journey and details their individual roles. You can email any member of the team directly via this section.

3. OPTIONS & CHOICES SELECTION

We are able to offer some choices on certain internal finishes of your new home. Whether this option is available to you will depend on what stage of construction the property has reached at the time of you making your reservation.

4. CONSTRUCTION PROGRESS

Under this section, regular updates on the construction of your new property will be provided, keeping you up to date on the progress on site and the local area. Your Customer Service Manager will issue regular newsletters and photographs to this section throughout your journey.
