HINDHEAD

A CHARMING TWO
BEDROOM HOME

THE CHARMING *hindhead*

Stylish Living - The thoughtful design that has gone into every detail of the Hindhead is clear to see from the moment you enter the property. Located off the entrance hall you'll discover the charming lounge, perfectly proportioned for the entire family to sit back and relax at the end of the day, further enhanced by the large window to flood the space with light.

Beautiful Interiors - The stylish living area leads through to the stunning open plan kitchen / dining room with a convenient utility area, cloakroom and French doors opening onto the rear garden allowing light to pour in. The fitted Symphony kitchen offers an abundance of storage facilities, cleverly hidden within stylish cupboards and drawers that are fully customisable dependent on build stage.

Endless Possibilities - The first floor is home to the two spacious double bedrooms, both thoughtfully designed to offer complete flexibility. The master bedroom is the perfect retreat at the end of a busy day with an area specifically designed to house fitted wardrobes should you wish, further complemented by your private en suite shower room. The second bedroom is again a generous size and has the added benefit of a storage cupboard and plenty of floor space complete with large windows to allow the sun to beam through.

Luxury Defined - Across the landing, both bedrooms have the use of the large family bathroom complete with sparkling white Roca sanitaryware, complementing chrome fixtures & fittings and sleek Porcelanosa tiling.
