

Islington Square is a new development in the heart of the borough. The architecture takes as its inspiration the rich heritage of the area, creating well-designed luxury homes that both reflect Islington's history yet offer sophisticated living for a modern lifestyle.

The Square is centred around three main buildings: a converted warehouse, a new build with Edwardian ground floor, and an entirely new design by leading UK architects.

17 Esther Anne Place Islington Square

17 Esther Anne Place is a mix of early 19th century flair and contemporary living. This is a new build that retains the redbrick facade of the sorting office at ground level, combined with modern upper floors and design-led contemporary interiors.
