BYRON QUARTER REDEVELOPMENT PROPOSALS

The London Borough of Harrow in partnership with Wates is proposing to redevelop the land to the east of the Harrow Leisure Centre car park (former driving school).

We want to transform this underused 1.7 hectare site, creating a community of up to 149 high quality homes, including affordable housing, with landscaped surroundings.

We welcome your views to help shape the latest design proposals at this public engagement event. Join us to discuss and share ideas about the open spaces and character of the masterplan.

We hope to see you on Tuesday 12th March between 2pm and 8pm when you can find out more.
