THE DEVELOPMENT

BANKSIDE GARDENS

BANKSIDE GARDENS

“Bankside Gardens balances the urban activity and connectivity, presented by the proximity of the train station and transport interchange, with the calm and serenity of the rural lakeside environment.”

David Anderson, Director, Broadway Malyan

In line with our policy of continuous improvements we reserve the right to alter layout, building style, landscaping and specifications at any time without notice. The facilities and amenities at Bankside Gardens are subject to the construction programme. Green Park railway station is a proposed railway station in Reading, Berkshire, England. The station is intended to serve the proposed Bankside Gardens residential development, as well as Green Park Village, Green Park Business Centre and the Madejski Stadium. It is planned to be on the Reading to Basingstoke Line, south of Southcote Junction.

From the wrap-around terraces to the smart contemporary elevations, the architectural inspiration for Bankside Gardens is its natural lakeside setting with the aim of maximising the light and views.

*Where applicable

Your attention is drawn to the fact that it may not be possible to provide the branded products as referred to in the specification. In such cases, a similar alternative will be provided. St Edward reserves the right to make these changes as required. A number of choices and options are available to personalise your home. Choices and options are subject to timeframes, availability and change.

FOCUSED ON YOUR CUSTOMER EXPERIENCE

From exchange of contracts, we will provide every customer with a Customer Relations Representative to ensure you always have an expert to talk to. We will also provide regular updates on the timing of completion of your new home and keep you informed about the progress of construction.

We will invite you to choose the interior of your home from a selection of palettes designed by our expert Interior Designers, as well as inviting you to visit your home for a full Home Demonstration to personally demonstrate all the functions and facilities, prior to legal completion.

On the day of legal completion, we will arrange for you or your chosen representative to meet with your dedicated Customer Relations Representative for a key handover. We will provide you with a 'Folio' which contains comprehensive information on all aspects of your new home, in addition to a 2-year warranty period following legal completion.

A dedicated Customer Service telephone number is provided to our purchasers should you have any questions. Following completion, we will contact you to ensure that you are happy with every aspect of your new home and assist you with any queries that you may have.

ABOUT ST EDWARD

St Edward is a joint venture company owned by the Prudential Assurance Company and Berkeley. It brings together the expertise of Berkeley and M&G Real Estate, Prudential's fund manager.

The powerful combination of the two companies' strengths and complementary skills provides a strong vehicle for delivering fantastic communities where people enjoy a great quality of life.

BUILDING COMMUNITIES

We want to create places people will love as their own. Places that inspire a sense of pride, belonging and spirit. We achieve this by listening to people and putting your wellbeing and care at the heart of all we do.

We welcome your energy and ideas to turn Bankside Gardens into a real community.

DESIGNED FOR LIFE

Our customers are at the heart of all our decisions. We aim to understand their needs and consistently meet or exceed their expectations. The service we provide is professional, efficient and helpful to make the home buying process as straightforward and enjoyable as possible. Our levels of customer service aim to be comparable to other top brands.

CUSTOMER SERVICE IS OUR PRIORITY

All our customers are provided with a commitment that when they buy a new home from St Edward they can be safe in the knowledge that it is built to very high standards of design and quality, has low environmental impact and that they will enjoy an exceptional customer experience. Each customer receives tailored information relating to their purchase and has a dedicated point of contact throughout the customer journey.

GREEN LIVING AND SUSTAINABLE DEVELOPMENT IS TOP OF OUR AGENDA

As a company, we are committed to reducing energy, water and waste on our construction sites, in our offices and in the homes that we build. Almost all of our developments are built on brownfield land and we always take care to protect and enhance biodiversity and natural habitats. Our homes include features to encourage sustainable living such as dual-flush WCs, recycling bins and energy efficient white goods.

QUALITY IS AT THE HEART OF EVERYTHING WE DO

At St Edward, quality takes precedence, from choosing the right location and style of home, to the construction processes we practice, the materials we use and the specifications we put into our homes. For extra peace of mind, in addition to the 10 year warranty all new homes receive, St Edward operates a 2 year policy with dedicated Customer Service teams on hand 24 hours a day to deal with enquiries quickly and effectively.

UNPARALLELED CHOICE OF HOMES IN THE MOST SOUGHT AFTER LOCATIONS

As one of the UK's leading house builders, we are able to offer our customers an unrivalled choice of property location, size and type. From city penthouses to country retreats, modern studio apartments to traditional family homes, you will find the perfect home to match your requirements. Our homes are also built in some of Britain's most desirable locations from market towns and rural villages to major towns and cities, and countryside to the coast – we build in the locations you want to live.

A COMMITMENT TO CREATING SUSTAINABLE COMMUNITIES

St Edward's homes and developments are not just built for today. They are designed to enhance the neighbourhoods in which they are located permanently. We achieve this through our commitment to excellence in design, sensitive landscaping, sympathetic restoration, and impeccable standards of sustainability. We aim to address the needs not only of our customers but their neighbours and the broader community of which they are a part. It is a long-term view: we want to create exceptional places for people to live, work and relax in, and build communities that will thrive today and for years to come.
