First impressions count. The boulevard entrance to the development, featuring brick and flint pillars and wrought iron signage, makes a reassuring statement of quality, refinement and carefully-considered design.

DESIGNED FOR LIFE

Our architects and landscapers have created a highly desirable destination – a new neighbourhood totally in keeping with its historic surroundings.

ARCHITECTURE

The architectural form reflects local building traditions, with a palette of high quality materials which have been selected with careful attention to detail. Architectural detailing and materials include gabled and hipped roofs, tile hanging, varied brick colours and simple porches. Open space including footpath connections, playing pitches and allotments as well as the creation of new bus services provide extensive local amenities and enhanced access to amenities and services which are further afield.

LANDSCAPING

The landscaping and public realm at Highcroft has been designed to create an attractive setting that will successfully assimilate this high quality development within its local setting. The frontage to Calvin Thomas Way has been a key focus with the development set back within the site to secure a robust landscape setting combining

native woodland planting, new areas of parkland and open water with high levels of biodiversity. The open spaces provide safe access and recreation for walkers and cyclists alongside seating, play areas, trim-trails and allotments that provide inclusive multi-functional use for the Highcroft community.

“The landscape, public realm and biodiversity has been of central consideration securing a vibrant and verdant setting for the new community.”

Meadows and wetlands

The design and quality of the public realm has been central to the design of Highcroft, something that is evident as you enter the site along a mature tree lined avenue set around a statement central reservation of ornamental hedgerows interspersed with an array of herbaceous and perennial shrubs that will provide year round colour and interest. The quality of this gateway is represented in the new houses and the careful detailing of the public realm utilising a complementary palette of materials and landscaping to secure the highest level of kerb appeal.

Throughout the design of Highcroft the landscape, public realm and biodiversity has been of central consideration securing a vibrant and verdant setting for the new community.

TRADITIONALLY STYLED HOMES

Contemporary, elegant homes, inspired by the architecture of this historic market town are designed to appeal to all.

Thirty per cent of the development is open and biodiverse green space. Gardens and ponds, sheltered by mature specimen trees, provide abundant variety and beauty across the changing seasons.

SUSTAINABILITY AT ITS HEART

As a forward-thinking development, sustainability and biodiversity are top of the agenda at Highcroft. The natural environment flourishes here.

To encourage the use of greener transport, we have installed rapid charging points for electric vehicles throughout the site. We have also provided secure bicycle storage for every property at convenient spots around the development.

Follow the 'green trail' through the site to discover the abundant wildlife that lives here. We have created landscapes and swales planted with grasses, shrubs and mature trees that provide ideal natural habitats, complemented by bird and bat boxes, hedgehog houses, and log piles for insects.

Looking to the future of our global environment, we have introduced features that enable residents to weave sustainability into their everyday lives. These include allotments for residents to cultivate their own vegetables and fruit.

Wild flowers, native mammals and insects flourish at Highcroft. How many species can you spot?

Wallingford is a gem of a location – a delightful place to live that is within an hour's drive of some of the most celebrated towns in southern England. Oxford, with its ancient university, is 30 minutes away. Beyond it are the exquisite rolling hills and soft yellow stone-built towns of The Cotswolds, a magnet for walkers and lovers of pub lunches.

For shopping, Reading is a must, or head to Bicester Village for its superb range of designer outlets. Henley-on-Thames offers picturesque charm with independent retailers, galleries, theatre, and of course an annual rowing regatta. Further afield, are Windsor and its famous castle, and Ascot, where a day at the races promises fun and excitement.

WALLINGFORD

An easy stroll or bus ride into the centre of town brings you to all your favourite high street stores, and many boutique shops that you'll come to love.

Surrounding the medieval marketplace at the heart of Wallingford are the independent shops that give the town its unique character. Explore the cobbled pedestrianised lanes for decorative items and unusual gifts. The Lamb Arcade, a 14th century former coaching inn, offers two floors of antiques and collectibles.

A market town with all the essentials.

Side by side with essential high street brands – including Waitrose, Boots, Lloyds Pharmacy, Tesco and Wine Rack, among many others – are four different outdoor markets selling fresh local produce. And if you are searching for craft and art materials, you won't have to look far. Wallingford is the place to go for supplies.

CAFÉS & RESTAURANTS

As you wander through the cobbled streets, squares and alleys of the town centre, you will find an excellent choice of places to eat and drink.

From gourmet restaurants and quaint cafés, to tea rooms and gastro pubs, Wallingford has something for everyone. With more than 100 Listed buildings in the town centre, the chances are you will be enjoying your refreshment in historic surroundings, perhaps beside a cosy open fire in winter, or al fresco when the weather is warmer.

Dine by the river at The Waterfront or The Boathouse. In the town centre, The Old Post Office is popular, Le Clos has a relaxed vibe, while The Shellfish Cow offers both steaks and seafood. If it's coffee and cake you crave, try Ribizli, The Cartshed or Cathy's Country Kitchen for sweet delights.

Al fresco dining is always a joy in Wallingford, whether by the river or in the quaint town centre.

There has been a bridge across the Thames at Wallingford since at least 1141. Today's Grade II Listed structure is 900ft long and has 19 arches. It connects the town to Crowmarsh Gifford in Berkshire.*

RIVERSIDE & PARKLAND WALKS

Right on your doorstep are river walks, footpaths through open countryside, and historic monuments. Get set for some wonderful days out.

Highcroft offers so many opportunities to explore the great outdoors that you'll be spoilt for choice. The 11th century castle, once an impregnable royal stronghold but now in ruins, is unmissable. Its grounds, the Castle Meadows, are a popular spot for walkers, and home to many important wildlife habitats.

A stroll by the River Thames is always a pleasure. At Wallingford, the Thames towpath meanders through an Area of Outstanding Natural Beauty which is managed by the Earth Trust. In summer, the meadows are ablaze with wildflowers, including fields of oxeye daisy, knapweed and bird's foot trefoil.

When it comes to relaxation, Highcroft gives you the best of both worlds – the peace of the countryside combined with first-class entertainment and shopping opportunities, all within easy reach. For excellent retail therapy, head for Oxford’s Westgate Centre, Bicester Village designer outlet, or The Oracle in Reading.

A COMMITMENT TO THE FUTURE

Over the years, the Berkeley Group has won many prestigious awards for the quality, design and sustainability of its developments.

Our Vision is Berkeley's strategic plan for the business, designed to raise standards higher still. Our goal is to be a world-class business, defined by the quality of the places we create, generating long-term value and having a positive impact on society.

We take our responsibilities towards our customers, the environment, our workforce and the communities in which we work very seriously.

Our plan for the business has five areas of strategic focus: Customers, Homes, Places, Operations and Our People.

AN EXCEPTIONAL CUSTOMER EXPERIENCE

We put customers at the heart of our decisions. Dedicated sales teams will provide exceptional service throughout the buying process, and teams will manage the customer relationship from exchange of contracts through to completion, delivery of the new home and after occupancy.

HIGH QUALITY HOMES

We aim to build high quality, well-designed homes with low environmental impact, where customers have the opportunity to achieve healthy, comfortable and sustainable lifestyles, now and in the future. Attention to detail in design is paramount to ensure our homes meet the needs of our customers.

GREAT PLACES

We seek to create strong communities where people choose to live, work and spend their time and which directly encourage people's wellbeing and quality of life. These are places characterised by the quality of their design, external spaces, transport and access to jobs and amenities.

CONSIDERATE OPERATIONS

We reduce the impact of the construction process on the local community by registering all of our sites with the Considerate Constructors Scheme. We set targets to reduce water, energy and waste. We work with our supply chain to ensure high quality services and materials are consistently provided.

A COMMITMENT TO PEOPLE

The safety, health, wellbeing and development of our people is a high priority. We aim to have a positive impact on society through our support of the Berkeley Foundation.

THE BERKELEY FOUNDATION

The Berkeley Foundation is the independent grant-making foundation established by the Berkeley Group in March 2011.

It works in partnership with the voluntary sector and others to help young people in London, Birmingham and the South of England overcome barriers, improve their lives and build a fairer society. It does this primarily by funding high-quality frontline support for marginalised young people. Since its launch, the Foundation has committed over £18 million to more than 100 charities and worthy causes.

The Foundation's funds come from a variety of sources. To date, Berkeley Group employees have raised an amazing £5 million through fundraising events and Give As You Earn. External donations and support comes from Berkeley's supply chain and consultants. The Berkeley Group provides core funding and pays all the Foundation's overheads, which means that all money raised is spent on charitable activities.

In 2018/19, 65% of Berkeley staff got involved with the Foundation's work.
